

" The dangers of arbitrary and inconsistent viewpoint censorship are only increased when enforced by governments using opaque procedures that fall woefully short of due process and are insensitive to local context, including sarcasm, satire and humour. "

Strawberry Cough ?

While on a visit to Canada , where recreational marijuana use is legal , Hillary Rodham Clinton (HRC) experiences her first "strawberry cough ."

A meme featuring a close-up of Emmanuel Macron. He is wearing a dark suit and a white shirt, with his hands clasped in front of his mouth in a 'shushing' gesture. He has a serious, slightly conspiratorial expression. To his right, there is a large, hand-drawn thought bubble with a white outline. The bubble is filled with a gradient of red and blue. Inside the bubble, there is text in a white, monospace-style font. The background is a blurred mix of red and blue.

don't make him into
some kinda rascist .

Welcome to the Trump Bunker. As you know, it's been 45 days since the President declared martial law and suspended Congress. And he did it not to avoid impeachment, but to protect us from ravaging hordes of MS-13 migrants who invaded our southern border and overwhelmed us because we had no border wall. Had we listened to our fuhrer or leader in the first place, we'd of had a wall to stop them, but Congress said "Oh no, that would be unAmerican."

Just 'cuz cops like to gun down
niggas, don't necessarily make 'em
all racist haters .

When I gave MI-6 an EAT ,
I had no idea their Prime
Minister Theresa May would
mistake it for a feminine
hygiene product .
